

RACCOLTA TESTI CD
"LEARNING FROM BLUE"
ANNO 2005

1 - Lean on me

Some times in our lives
we all have pain we all have sorrow.
But if we are wise
we know that there's always
tomorrow.
If there is a load
you have to bear that you can carry.
I'm right up the road
I'll share your load if you just call me.
Uuuuh... (2 v.)
Call on me, brother
when you need a hand,
we all need somebody to lean on.
Might have a problem
that you understand,
we all need somebody to lean on.
When (when you're not strong)
I'll (be your friend) I'll help you (carry
on).
For (for it won't be long) I'm gonna
need (lean) somebody to (lean on).
Call me (8 v.)
Call on me, brother...
Uh... (2 v.)
Lean on, lean on me...

3 - I love the Lord

I love the Lord,
He heard my cry
and He pited every grown,
long as I live and troubles rise
I'll hasten to His throne.
I'll hasten to His throne. (8 v.)

6 - Everybody sing freedom

Oh Freedom,
Oh Freedom,
Oh Freedom over me.

But before I'd be a slave,
I'll be buried in my grave,
and go home to my lord and be free.

No more runnin',
No more runnin',
No more runnin' over me.

But before I'd be a slave,
I'll be buried in my grave,
and go home to my lord and be free.

No more cryin',
No more cryin',
No more cryin' over me.

But before I'd be a slave,
I'll be buried in my grave,
and go home to my lord and be free.

No more shootin',
No more shootin',
No more shootin' over me.

But before I'd be a slave,
I'll be buried in my grave,
and go home to my lord and be free,
and be free.

7 - Change my life

I've been lonely
I've been cheated
I've been misunderstood
I've been washed up
I've been put down
And told I'm not good
But with you I'll be long
'cause you help me be strong
there's a change in my life
since you came along
Wow Oh-Oh Wow Wow Yeah
Now a man (a man) gets crazy
when his life is so wrong
and a heart gets weary
when he doesn't belong
when a road (a road) gets rocky
Lord you've got to keep on.
Jesus that's my king
Jesus, when I'm in trouble Lord.
Jesus, when I'm in trouble Lord.
Jesus (6 v) Jesus that's my king
No let me down - Now I'll have high

8 - Somebody chained my man

Oh my Lord, oh my Lord,
Somebody's chained my man over
the ocean.
I don't know, I don't know,
I only know that will be forever.
That's my way to call him,
that's my way to find him,
that's my way to ask for a little help.
That's your way to pray him,
that's your way to feel him,
that's my way to love him.

Oh my Lord, oh my Lord,
Somebody's chained my man over
the ocean.
I can try to survive,
thinking that we'll come back to be
together.
Let my wings to spread out,
or carry me in your arms,
step by step I will get to be close to
you.
Let her voice rise to you,
every time she needs you,
that's my way to love you.

Oh my Lord, oh my Lord,
Somebody's chained my man over
the ocean.
I don't know, I don't know,
I only know that will be forever.
I don't know, I don't know,
I only know that will be forever.

9 - I will follow Him

follow him wherever He may go
and here He mine always will be
for nothing can keep me away
he is my destiny.
I will follow Him
ever since He touched my heart I
knew there isn't an ocean too deep
a mountain so high can keep
keep me away - away from His love.
I love Him, I love Him, I love Him
and where He goes I follow
I follow I follow
I will follow Him... uha, uha, uha, uha
Uuuuuhoouuu

Uuuuh, oh,oh,oh - uh, uh, oh, ah
Is that that, is that that.
I will follow Him
follow him wherever He may go
there isn't an ocean too deep
a mountain so high can keep
keep me away - away from His heart.
Oh yeah! - I love Him
Oh yes I love Him - I follow
I'm gonna follow - True love
You know He's been my true love
Forever for now and to forever
I love Him I love Him I love Him
and where He goes
I follow I follow I follow
You know He's been my
true love My true love My true love
for now and to forever, to forever
there isn't an ocean too deep
a mountain so high can keep
keep me away away from His love.

11 - Summertime

Summertime and the livin' is easy,
fish are jumpin'
and the cotton is high
Oh, your Daddy's rich
and your Mama's good lookin'
So hush little baby,
don't you cry

One of these mornin's
you're gonna rise up singin'
Then you'll spread your wings
and you'll take to the sky
But till that mornin
there's a nothin' can harm you
With Daddy and Mammy standin' by,
they're standin'by,
they're standin' by.

12 - Birdland

Five thousand light years from
Birdland but I'm still preachin' the
rhythm
Long gone up tight years from
Birdland and I'm still teachin' it
with'em
Years from the land of the Bird and
I'm still feelin' the spirit
Five thousand light years from
Birdland but I know people can hear
it

Bird named it, Bird made it, Bird
heard it, then played it, well stated it
Birdland it happened down in Birdland
Oh ah

In the middle of that hub,
I remember one jazz club,
where we went to pat feet down on
fifty secon' street.
Everybody heard that word
that they named it after bird
where the rhythm swooped and
swirled the jazz corner of the world.
And the cats they gigged in there
were beyond compare
Birdland, I'm singin' Birdland
Birdland, ol' swingin' Birdland

Down them stairs, lose them cares,
where?

Down in Birdland
Total swing, Bob was king there
Down in Birdland
Bird would cook, Max would look
where?
Down in Birdland
Miles came through, 'Trane came too
there
Down in Birdland
Basic blew, Blakey too where?
Down in Birdland
Cannon Ball played that all there
Down in Birdland yeah
